The bio-natural treatments are aimed at the energy balance, anti-stress, the well-being of the person and to improve the physiological lifestyle. They are not treatments doctors or physiotherapists and the operator does not replace the doctors or physiotherapists themselves as well it does not replace health professionals: it does not perform diagnosis, therapies, prescriptions medical or any kind of medical practice. Also all the manual massage practices for the wellness are in no way a substitute for medical, orthopedic, therapy physiotherapy, chiropractic, osteopathy or any other manipulation performed by authorized healthcare professionals. They are also not linked to an aesthetic treatment.

The oils used are based on natural herbs and do not contain chemicals.

In the event of cancellation of the appointment, this must be done in advance of 48 hours or later charged for the entire treatment.
